Viking Sagas adapted by Nigel Bryant - BBC

know the Vikings - lived a long time ago and sailed around in very long ships The Vikings told stories about us gods...the same stories I'm going to tell you Now, a story has to have a setting and to tell you where my stories are set I think we better go back to the very beginning, to a time before there was

Viking longships - 8/9 penneshaw

What is even more amazing is that Viking ships could cross vast seas without any of the navigation instruments used today Vikings knew enough about the weather patterns to know when to put to sea, and they navigated by the positions of the stars and by the height of the sun above the horizon From the saga Beowulf, translated into modern English
